

Dear RE/MAX Agent,

RE/MAX invests millions of dollars each year to bring you the best training programs the real estate industry has to offer so that you can continue to grow a strong business. For a limited time in 2011, we're making a significant investment in your success by offering the 100 Days to Greatness® or Ultimate Agent™ programs for the special, reduced price of just \$199 – a 50% savings.

Over the past 5 years, RE/MAX and Buffini & Company have trained more than 20,000 Agents in these programs, and the results have been tremendous – even during the recent recession. Last year, we ran a similar promotion for 100 Days to Greatness and Ultimate Agent, and due to popular demand and your positive feedback, RE/MAX is going to again subsidize the standard \$395 cost to bring these programs to you at the discounted rate for a limited time.

These programs are available through RE/MAX University and can be viewed on your Roku device. In addition, 100 Days to Greatness is available through online, or through your Broker if he or she is a Buffini & Company Certified Mentor. We've also added a valuable bonus pack to 100 Days to Greatness to bring you further value.

The bonus pack includes:

- Four additional marketing pieces for you to download and send to your database
- Short sale & seller dialogs for capturing market share
- A Complimentary Coaching Session from Buffini & Company to help you accelerate your lead generation and grow your business
